Review the Following Important Information Carefully

- If you are a Pension Plan retiree, you understand:
 - If you are reemployed within six calendar months of retirement in **any type of position** with an FRS-participating employer, your retirement and DROP status (if applicable) are voided, all retirement and DROP benefits you received must be repaid, and you must reapply for retirement to receive future benefits.
 - If you are reemployed during months 7 through 12 after retirement in **any type of position** with an FRS-participating employer, your monthly retirement benefit must be suspended and any overpaid benefits you received must be repaid.
- If you are an Investment Plan SUSORP, SCCSORP, or SMSOAP retiree, you understand:
 - If you are reemployed within six calendar months of retirement in **any type of position** with an FRS-participating employer, any benefits you received must be repaid, or you must terminate employment.
 - If you are reemployed during months 7 through 12 after retirement in **any type of position** with an FRS-participating employer, you will not be eligible for additional distributions until you terminate employment or complete 12 calendar months of retirement (whichever occurs first).
- **Any type of position** includes, but is not limited to, regularly established, full-time, part-time, OPS, temporary, seasonal, substitute teachers, adjunct professors, etc. Also, any paid or unpaid positions with an FRS employer, service arrangements with an FRS employer, employment by or through a third-party providing service to an FRS employer, or positions pre-arranged before retirement to provide services after retirement to any FRS employer, are prohibited.
- Florida law requires a return of all overpaid Pension Plan benefit payments or Investment Plan distributions received by a member who has violated the FRS termination or reemployment provisions. Similar provisions apply to overpaid SUSORP, SCCSORP, or other state-administered plan distributions – contact that plan’s administrator for details.
- There is one exception to the restrictions on reemployment limitations after retirement. If you are a retired law enforcement officer and are reemployed as a school resource officer by an FRS-covered employer during the seventh through twelfth calendar months after your retirement date or after your DROP termination date, you are eligible to receive both your salary and retirement benefits during this period.
- Effective July 1, 2017, retirees of the Investment Plan, SUSORP, SMSOAP, SCCSORP are eligible for renewed membership in the Investment Plan, SUSORP, SMSOAP, SCCSORP. You must be employed in an FRS-covered position on or after July 1, 2017 in order to have renewed membership. Renewed members may not use a second election to change to the Pension Plan.
- If you are not retired and you earned FRS service after certain periods since 2002 (depending on your employer), you will be enrolled in the FRS retirement plan you were enrolled in when you terminated FRS-covered employment.
