COVID Vaccination Update

Phone lines are open to schedule appointments at the beginning of each week by calling 863-773-4161. There are minimal openings available currently. A notice via Alert Hardee will be sent out when appointments are filled.

The phone lines are overloaded at this time and you may experience a delay in reaching someone. Please continue to be patient. The Hardee County Health Department is working to answer calls quickly, in the order they are received.

As a reminder

Vaccinations are appointment only at the TechRiver Building, located at 1499 US Highway 17, Wauchula, FL 33873 (next to Taco Bell)

The Florida COVID-19 vaccine update is available on the Florida Department of Health's COVID-19 Website link <https://floridahealthcovid19.gov/>

This will provide an update of information on how many vaccines have been administered. Please refer to the website for any questions regarding Hardee County's vaccination count.

Please ensure you are registered for Alert Hardee to stay up to date with the latest information
